## THE GREAT RAIN

Centuries after the time of Adam and Eve, God sent a great flood because of the wickedness of the people.

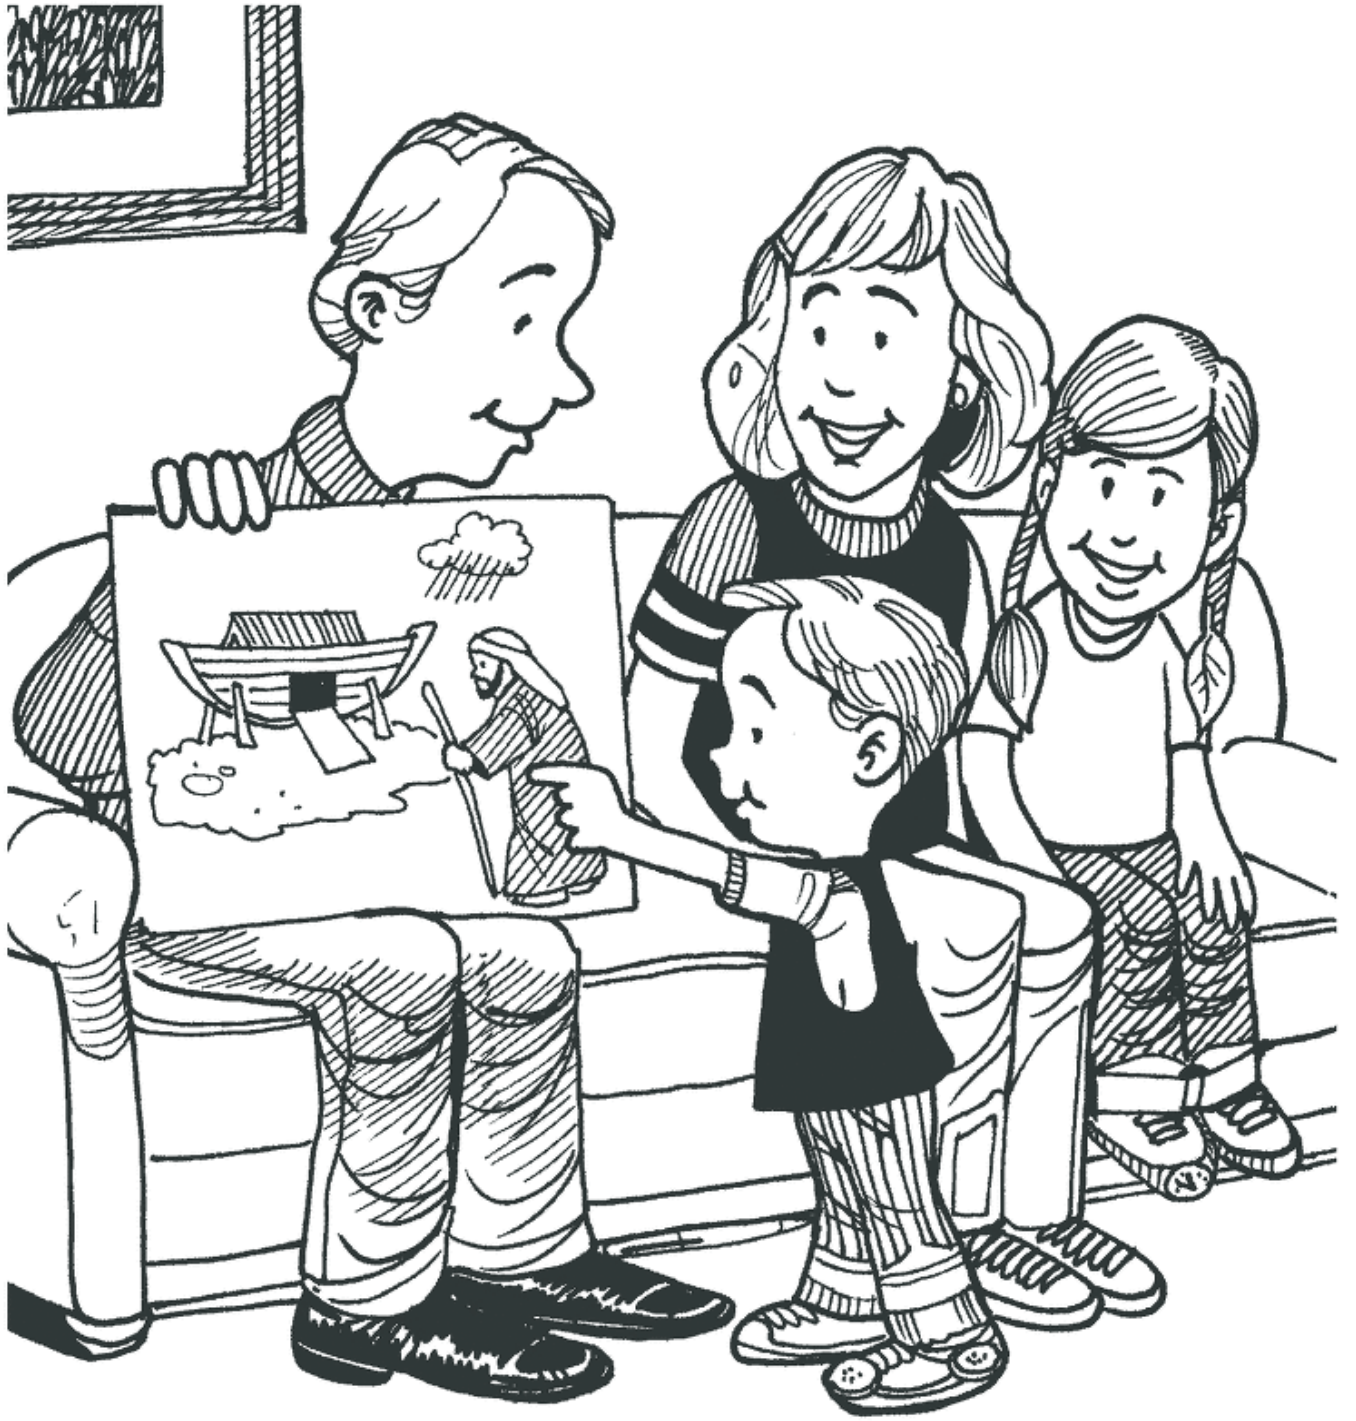

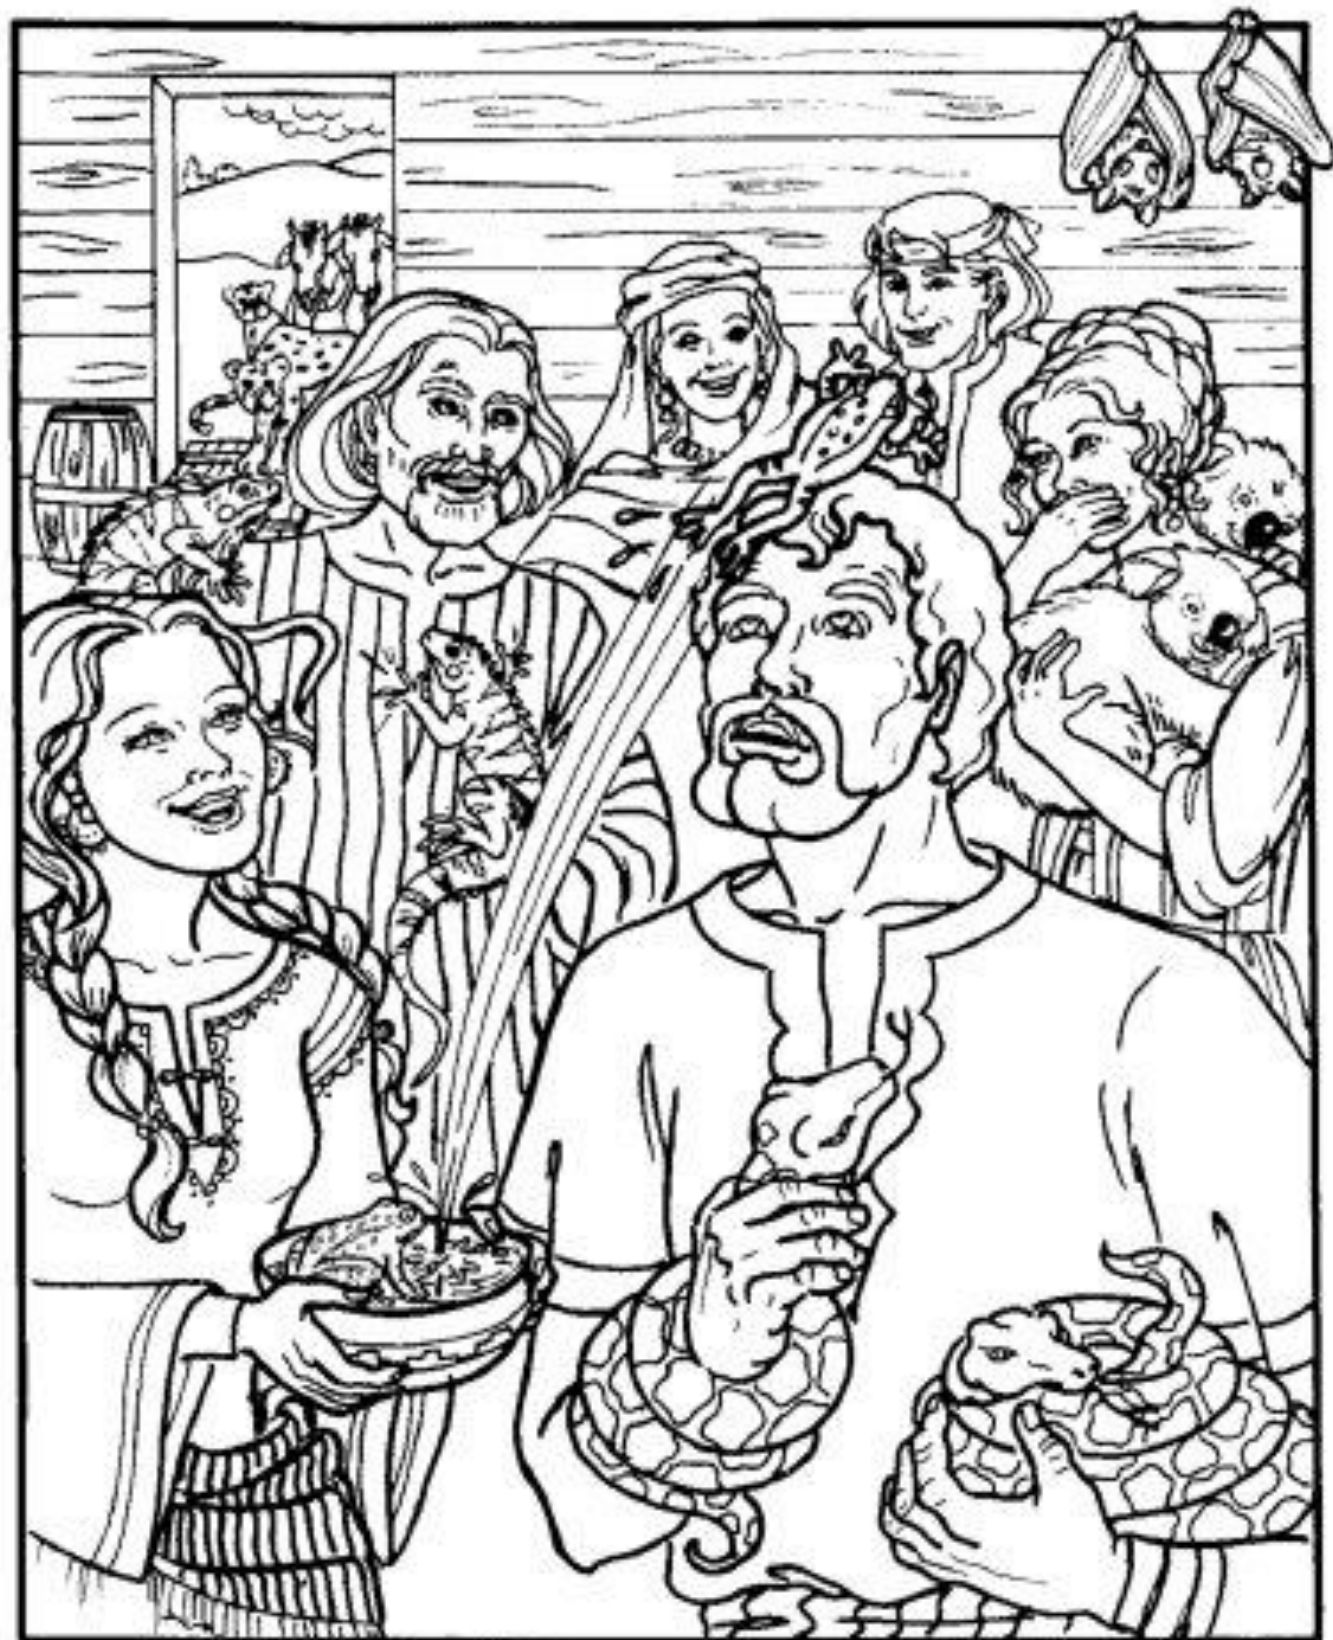

Noah was a good man and favored of God. He was instructed to build an ark for himself and his family.

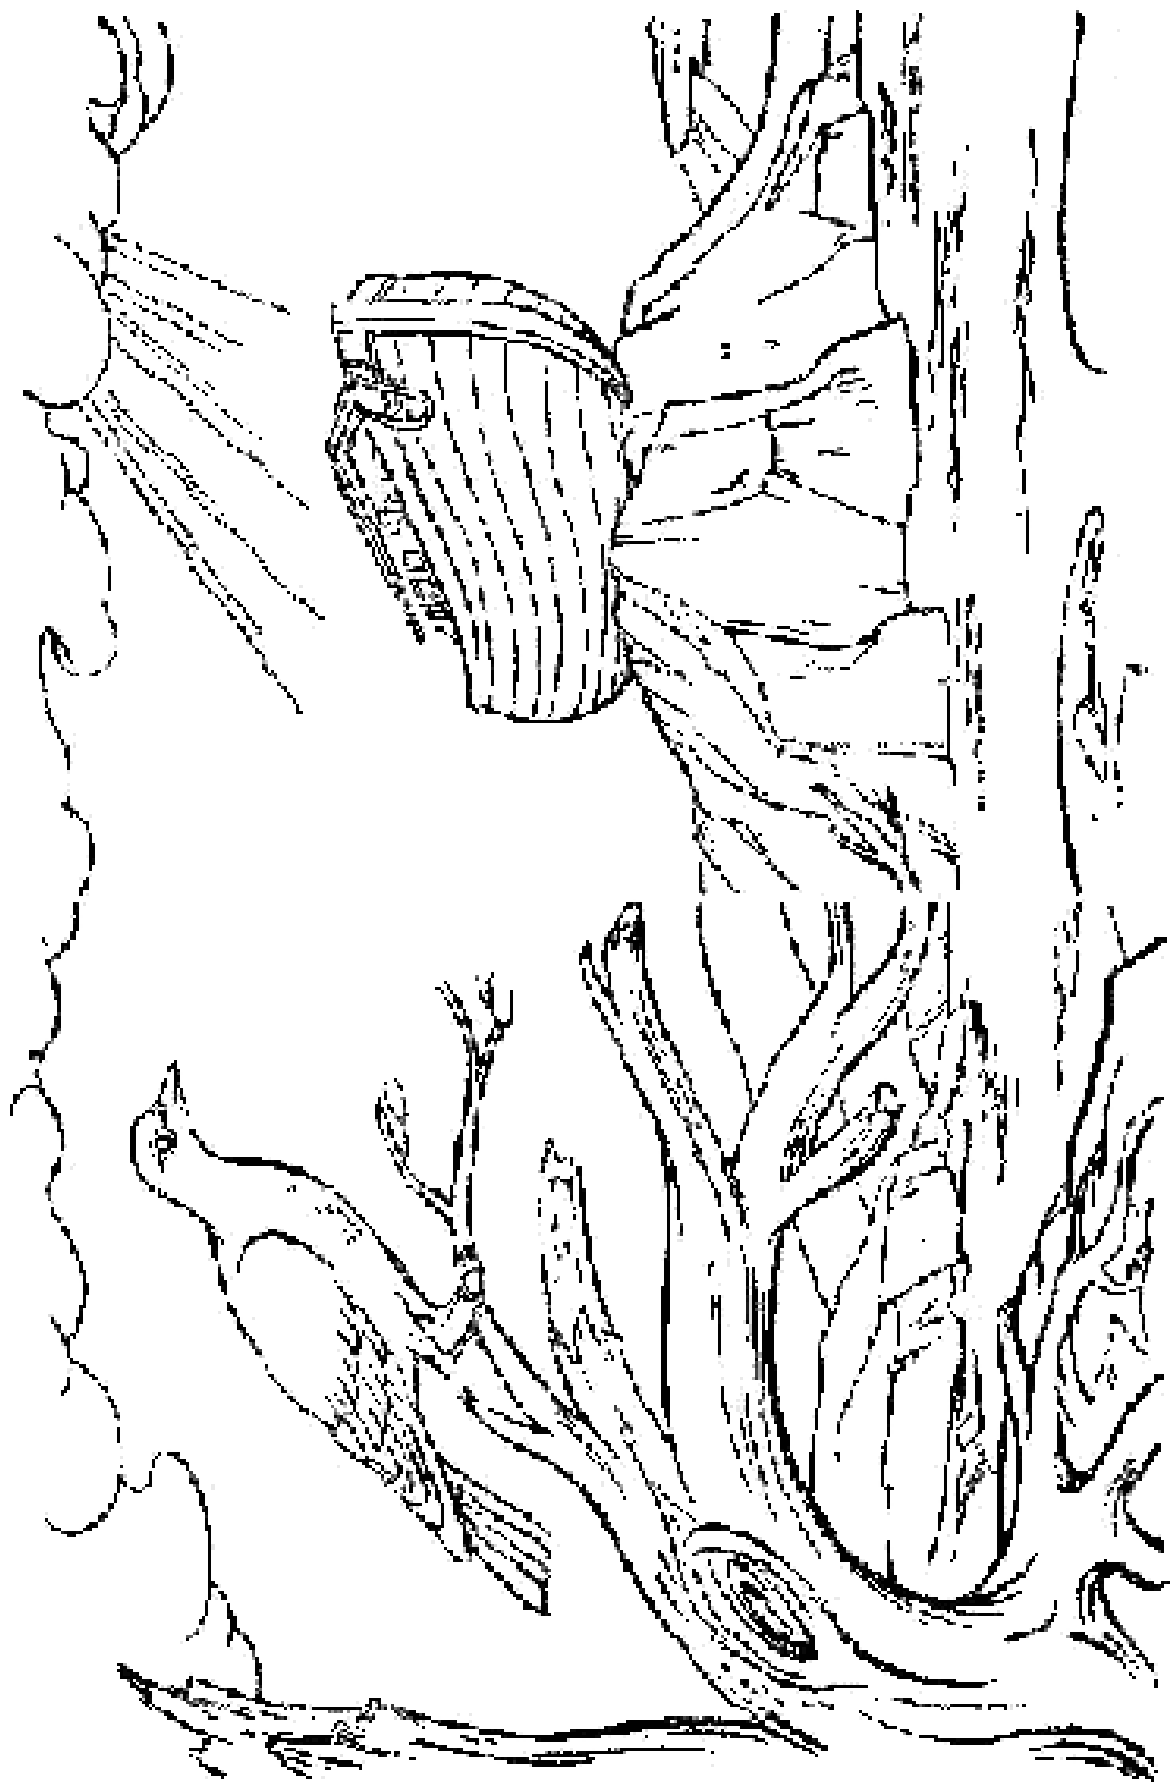

When the ark was finished, God said, "Noah, take two of every kind of animal and put them on the ark." So Noah did. Then Noah and his wife and his three sons and their wives all got on the ark. It rained for forty days and nights. The water rose higher and higher. It covered the tops of the highest mountains!

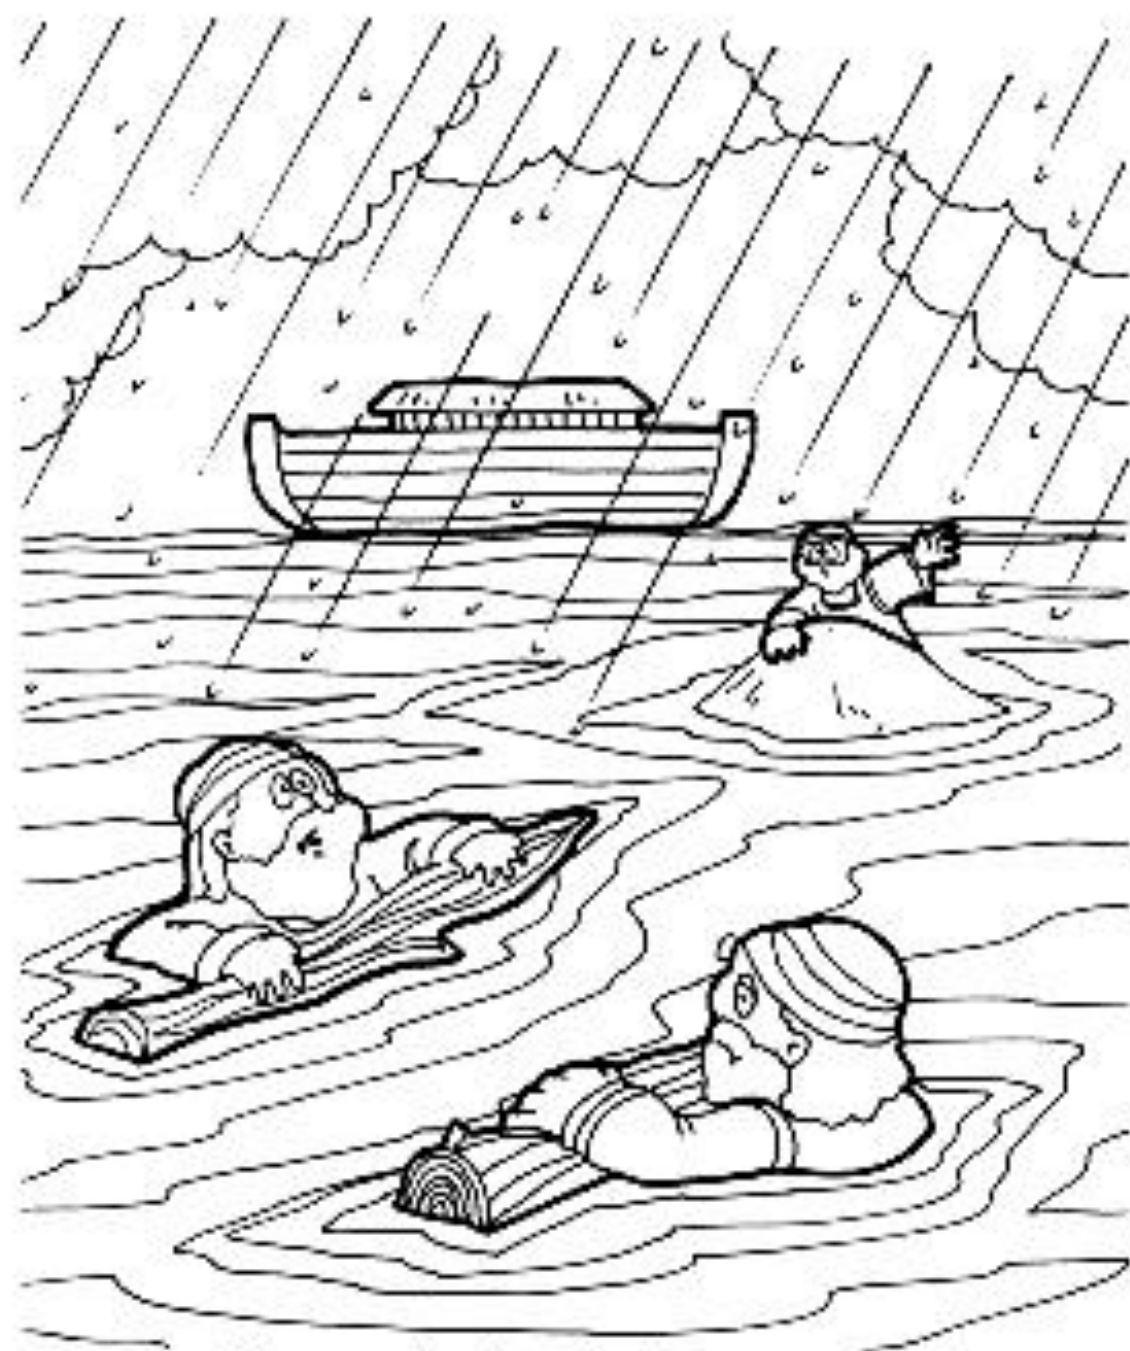

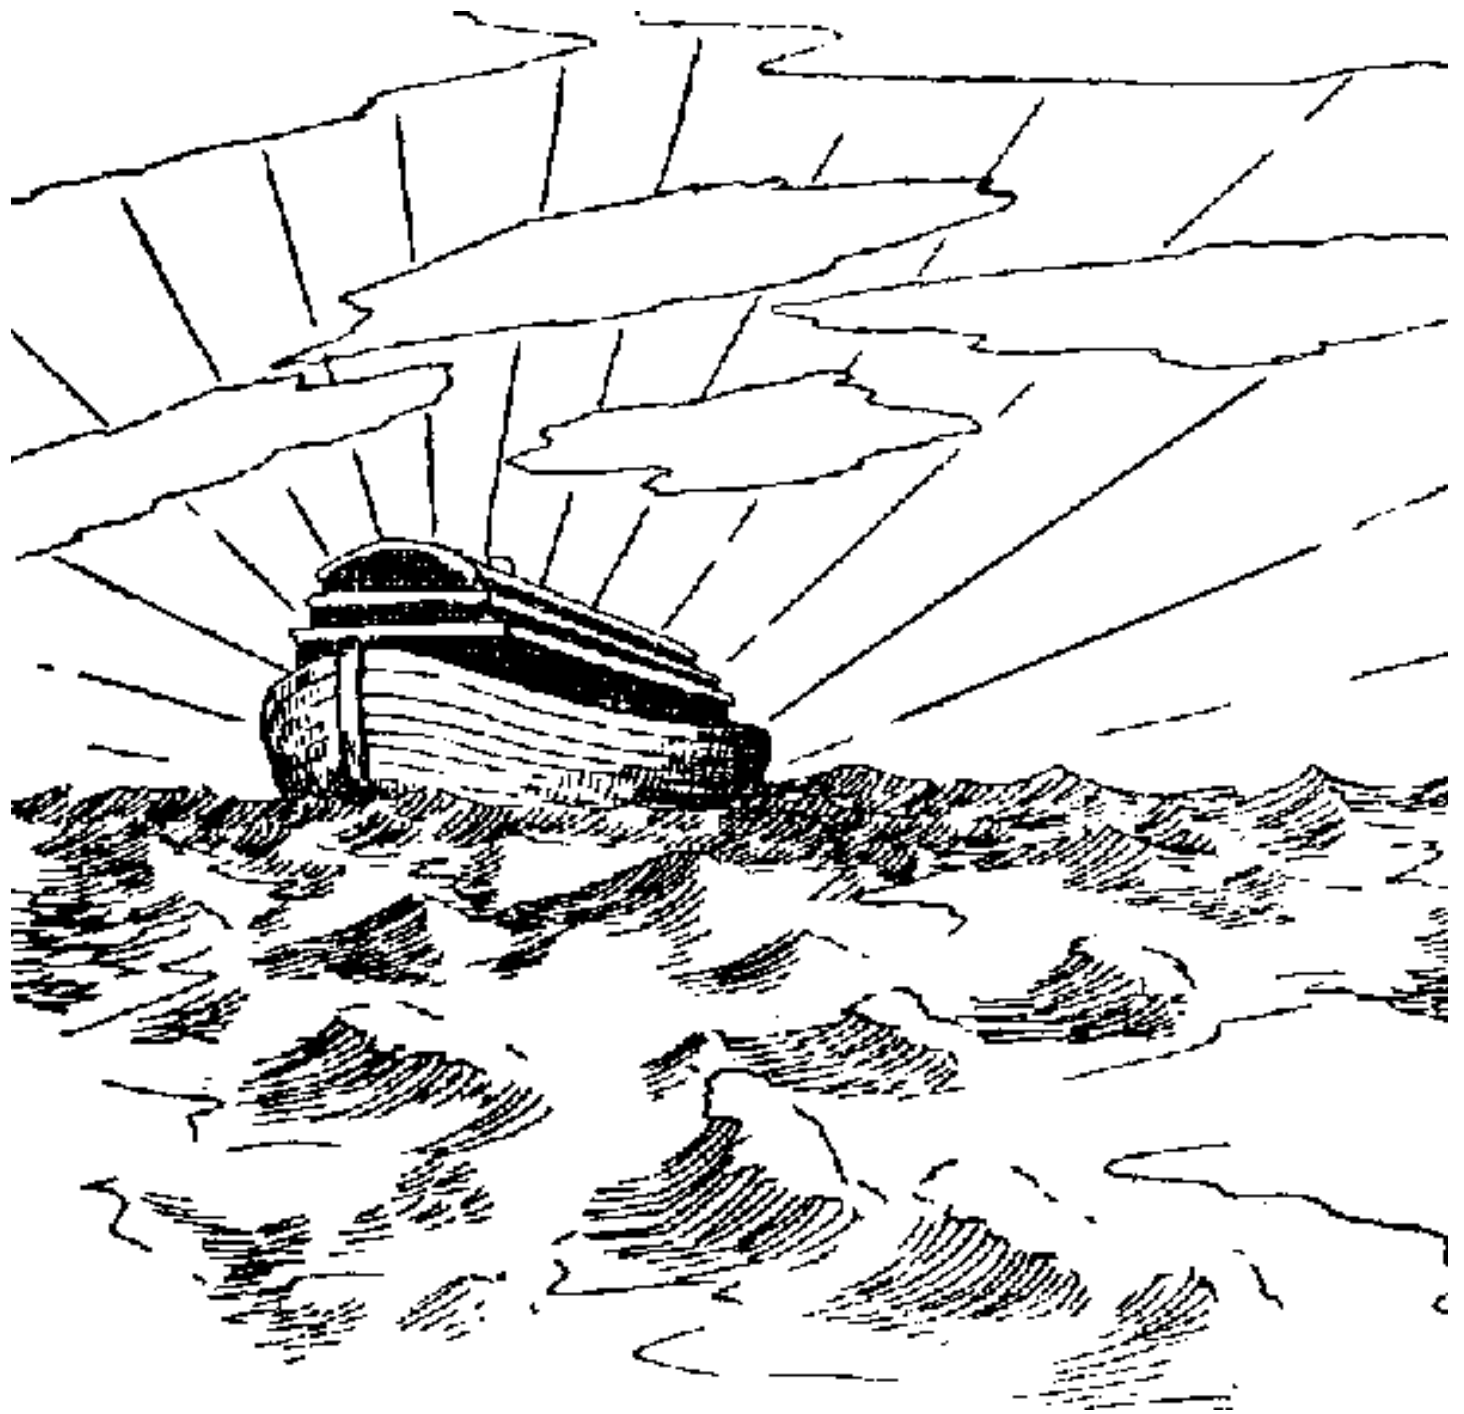

No one was laughing at Noah anymore.  
Everything on the land was now under water.  
Every living thing on earth drowned.

# Safe in the Ark

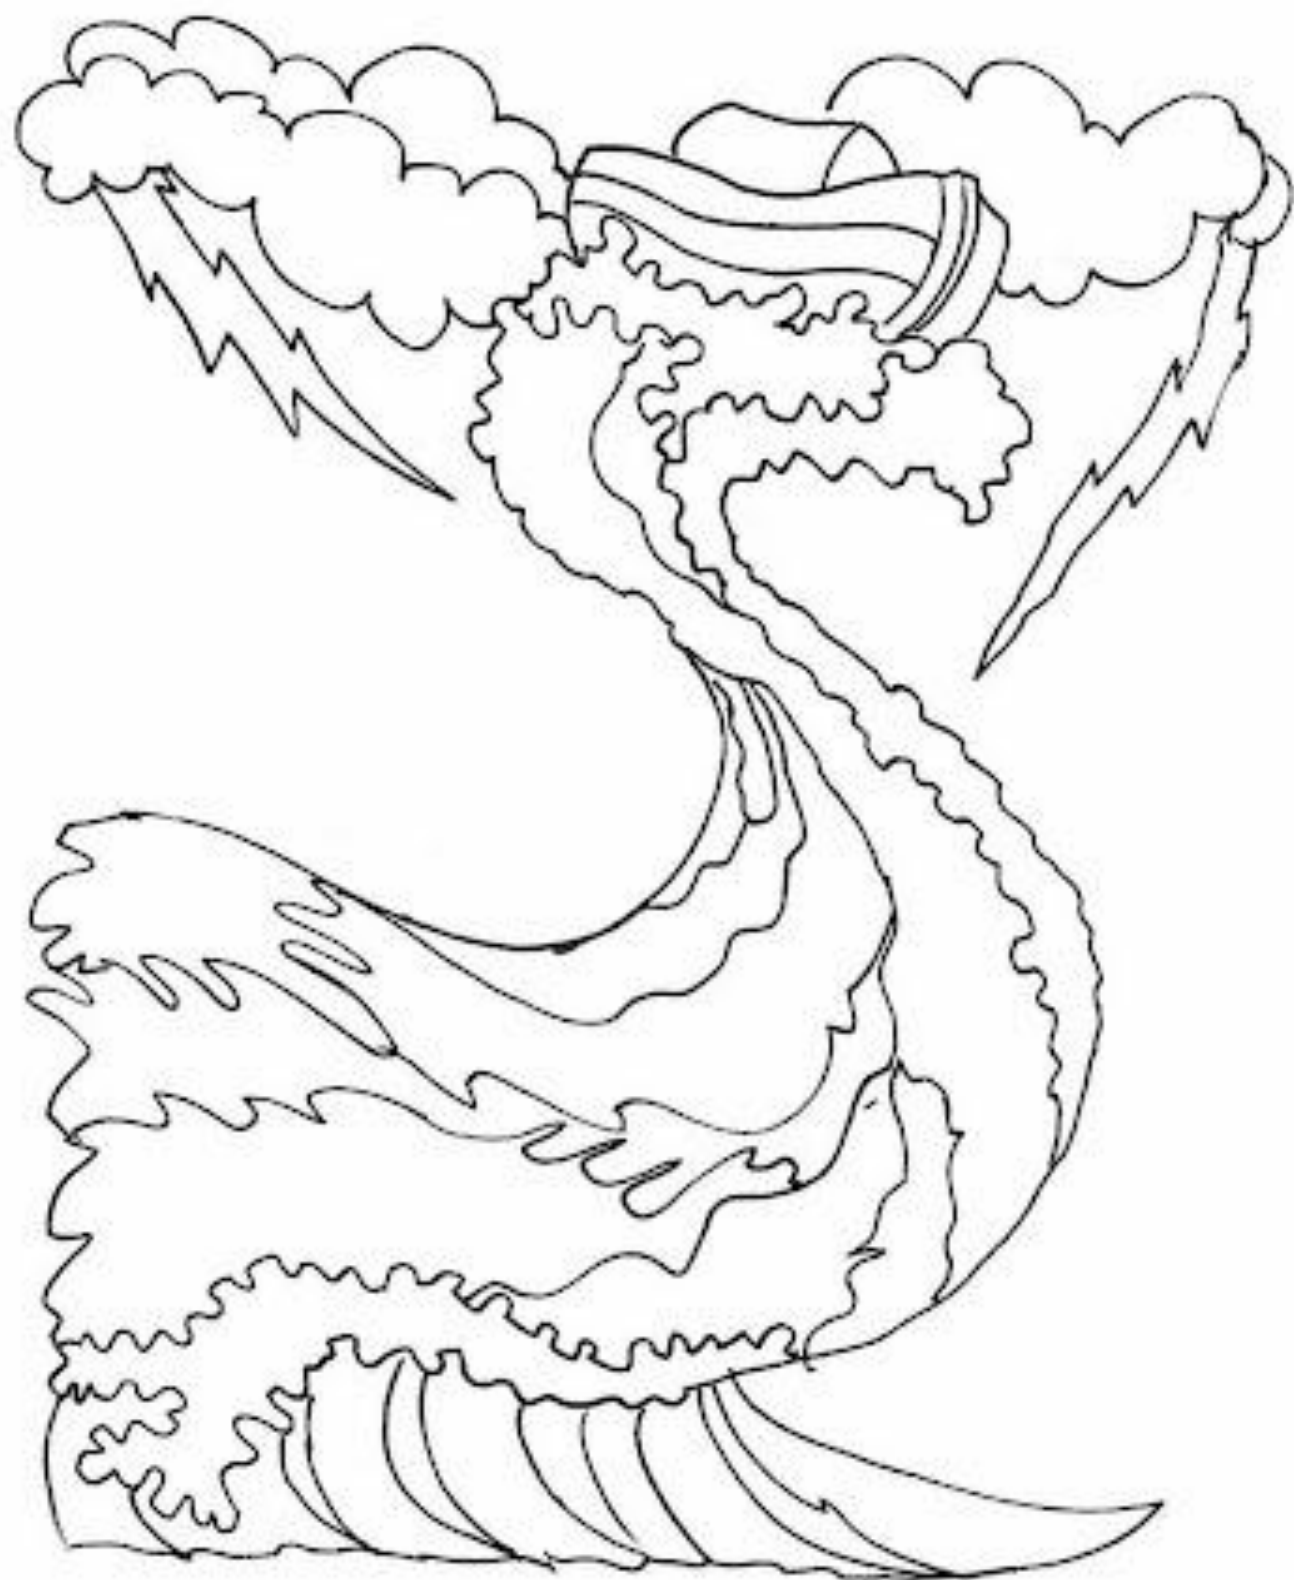

Genesis 7:17-24

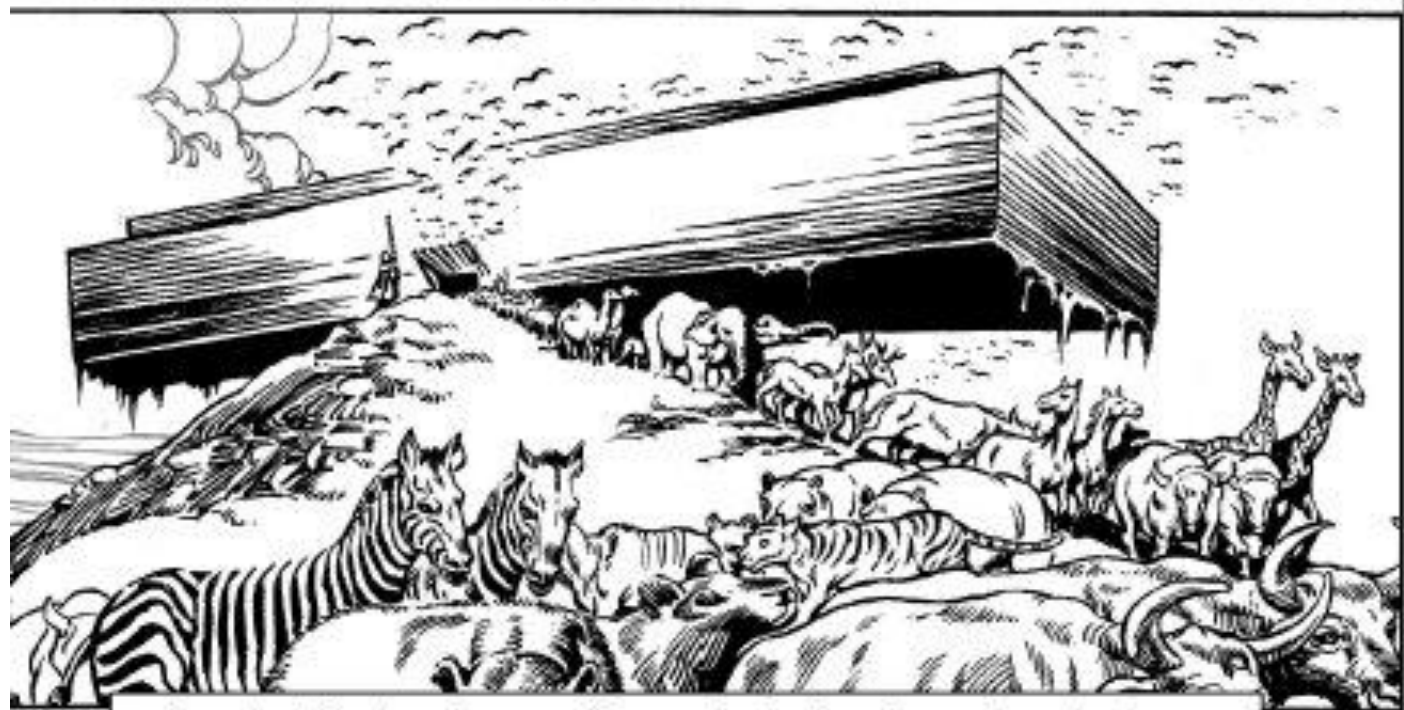

**“The Lord himself watches over you!”**

(Psalm 121:5a).

*Y conforme a la voluntad de Dios, comenzó a caer agua sin parar, durante 40 días y 40 noches consecutivas, devastando todo lo que Dios había creado.*

Genesis 7:17-24, 8:6-14

The Ark drifted on the water for months before they released a dove to see if it could find dry land. When it didn't return they knew the waters had receded and they left the ark.
